*Rose
Wreath, LLC*

Rose Wreath LLC was founded by Robert and Sandy Barber 43 years ago. Then, a small business of only a few employees and a little garage has grown into two manufacturing plants and three generations in the family. The main plant is located in Phillips, Wisconsin, with the second location in Montreal, Wisconsin. Rose Wreath offers 22 beautiful holiday decorations made from real balsam boughs. Rose Wreath sells all over the United States, selling to stores, tree lots, and organizations that sell them for fundraising.
